CNC VERTICAL MACHINING

Table Size(mm): 1000 x 550

Axis Movements(x-y-z) : 800x550x500

Load Capacity : 500 kg

CNC BORWERK

Table Size(mm): 1250 x 1200

Axis Movements(x-y-z) : 1250x1000x1200

Load Capacity : 5000 kg

VERTICAL LATHE

Diameter (mm): 1400

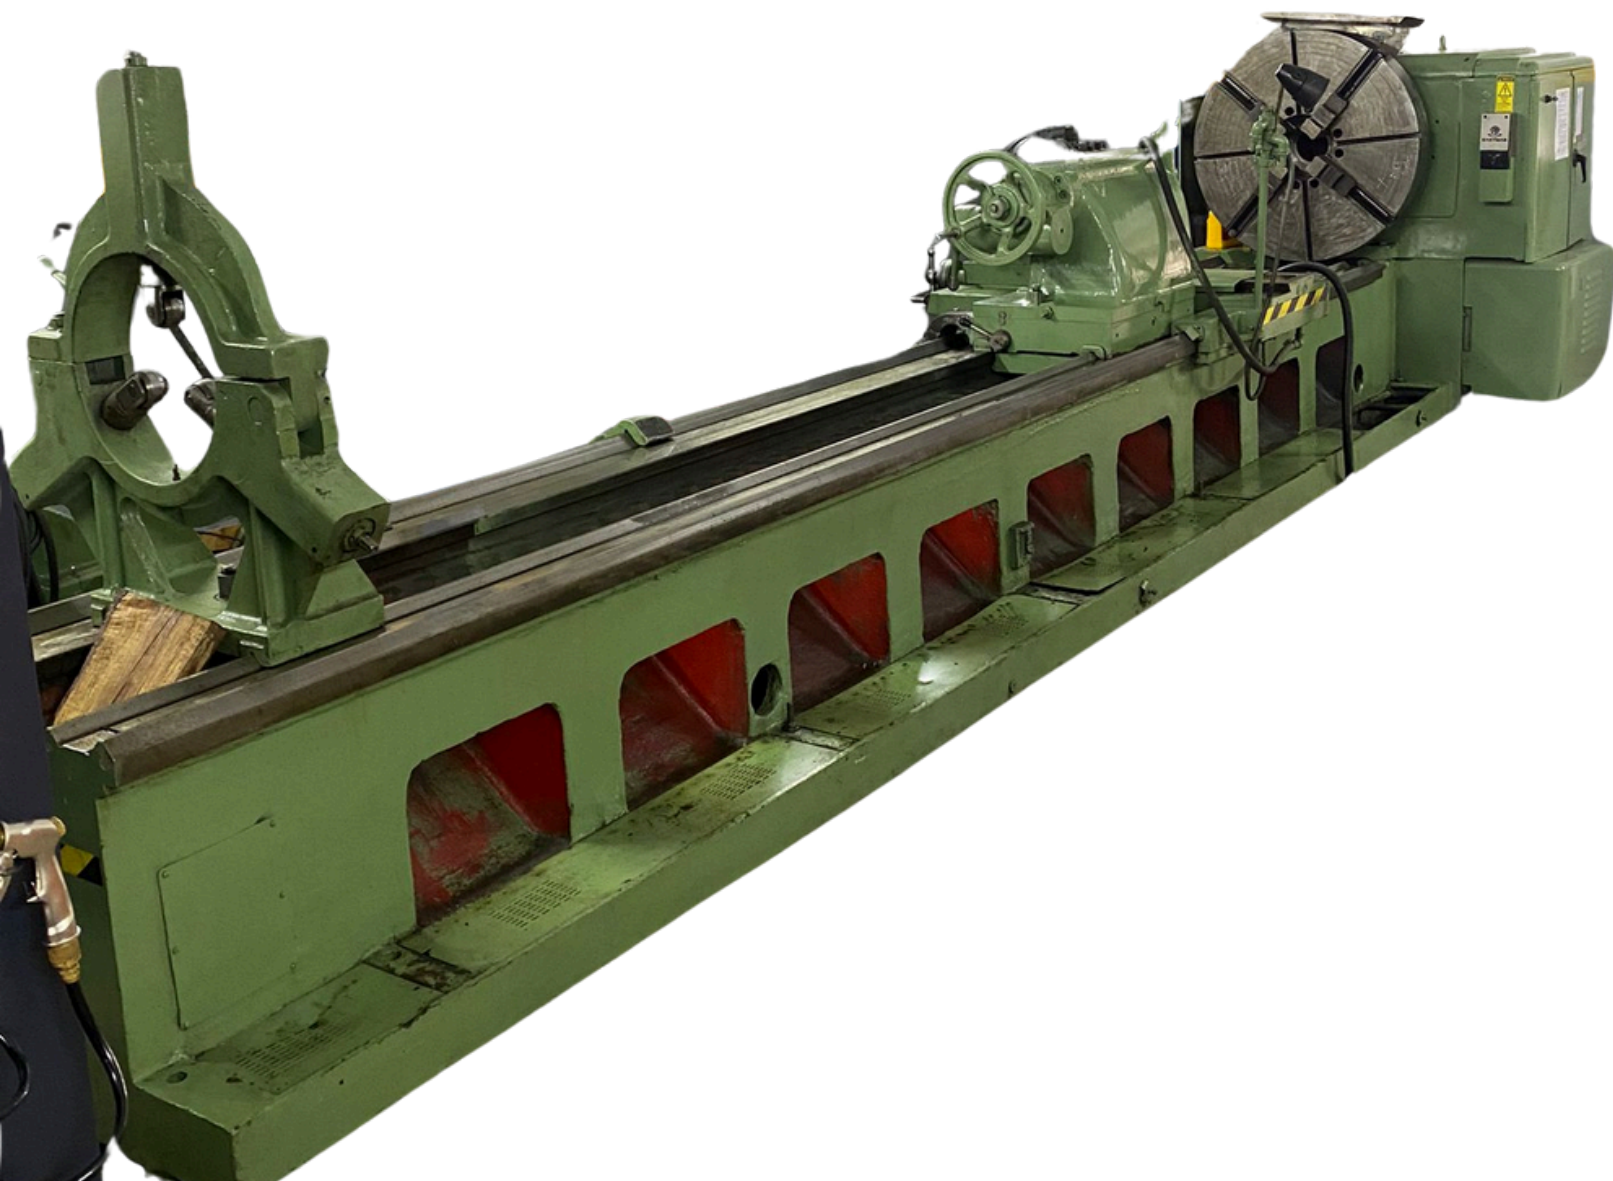

Length (mm) : 1000

Load Capacity : 5000 kg

5m SHAFT LATHE

Max Diameter (mm): 1000

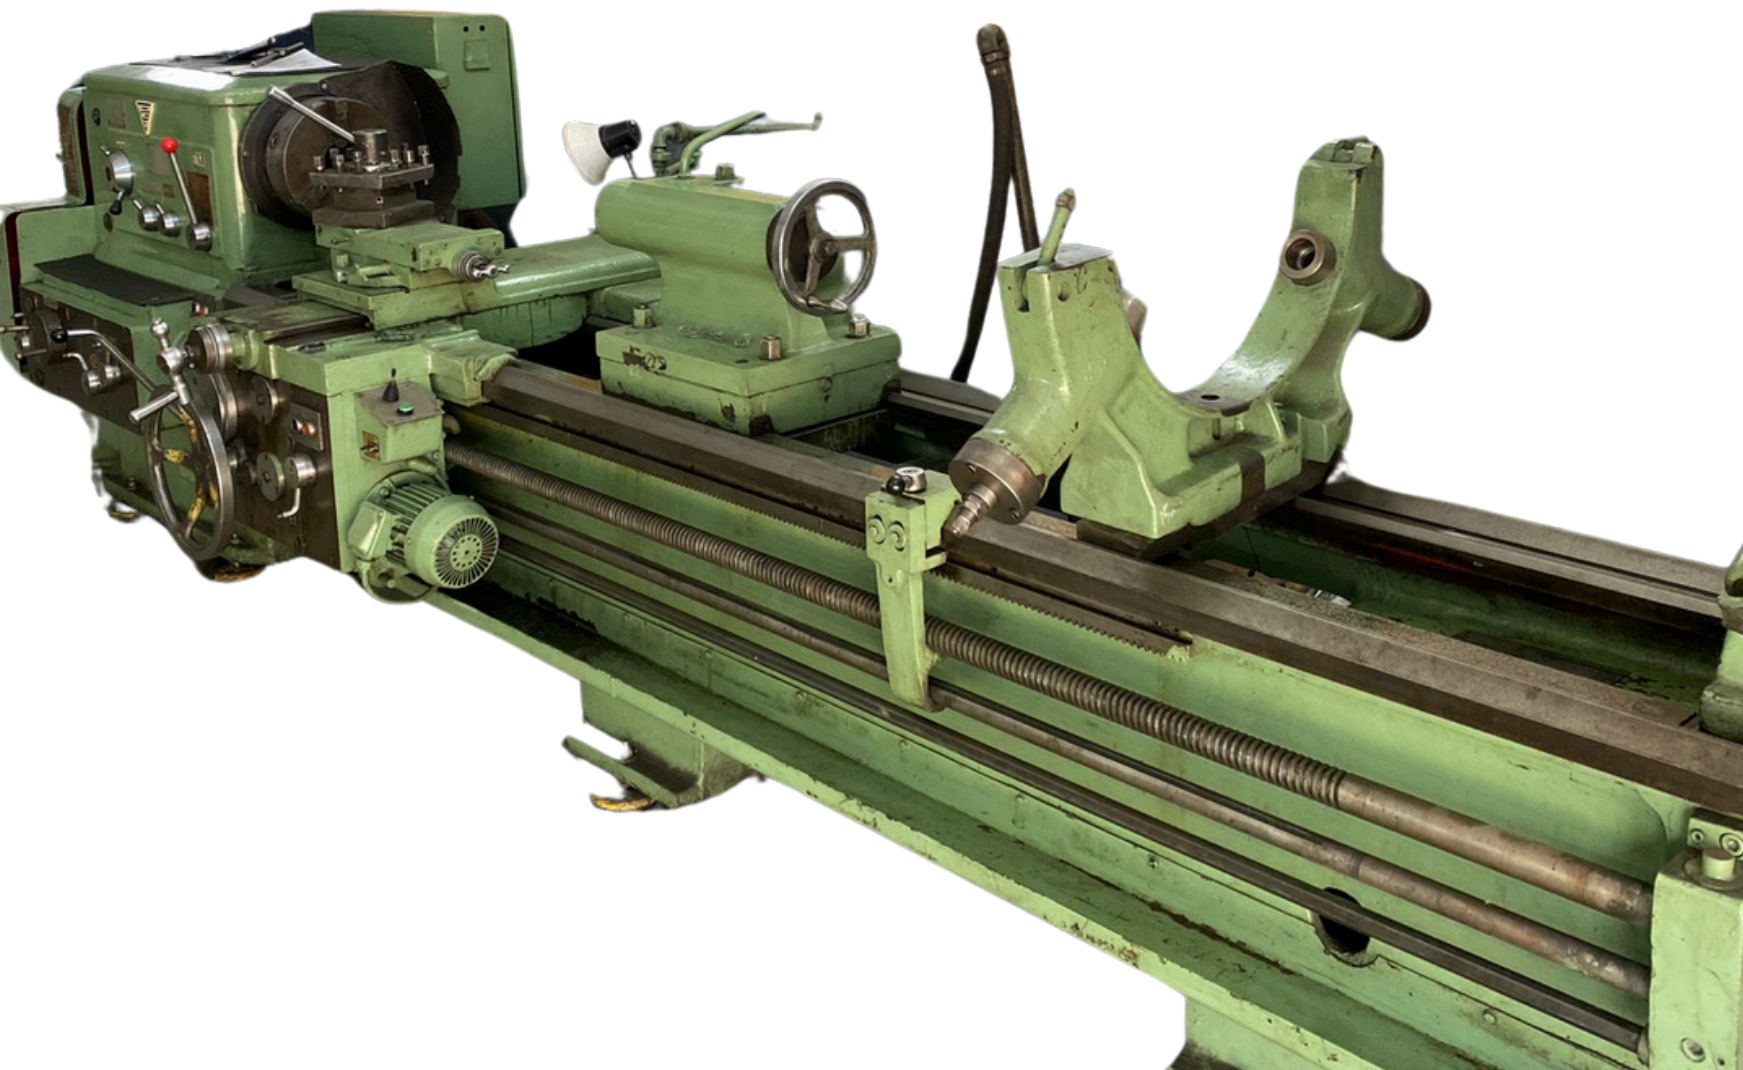

Length (mm) : 6000

3m LATHE

Max Diameter (mm): 650

Length (mm) : 3000

1,5m LATHE

Max Diameter (mm): 250

Length (mm) : 1500

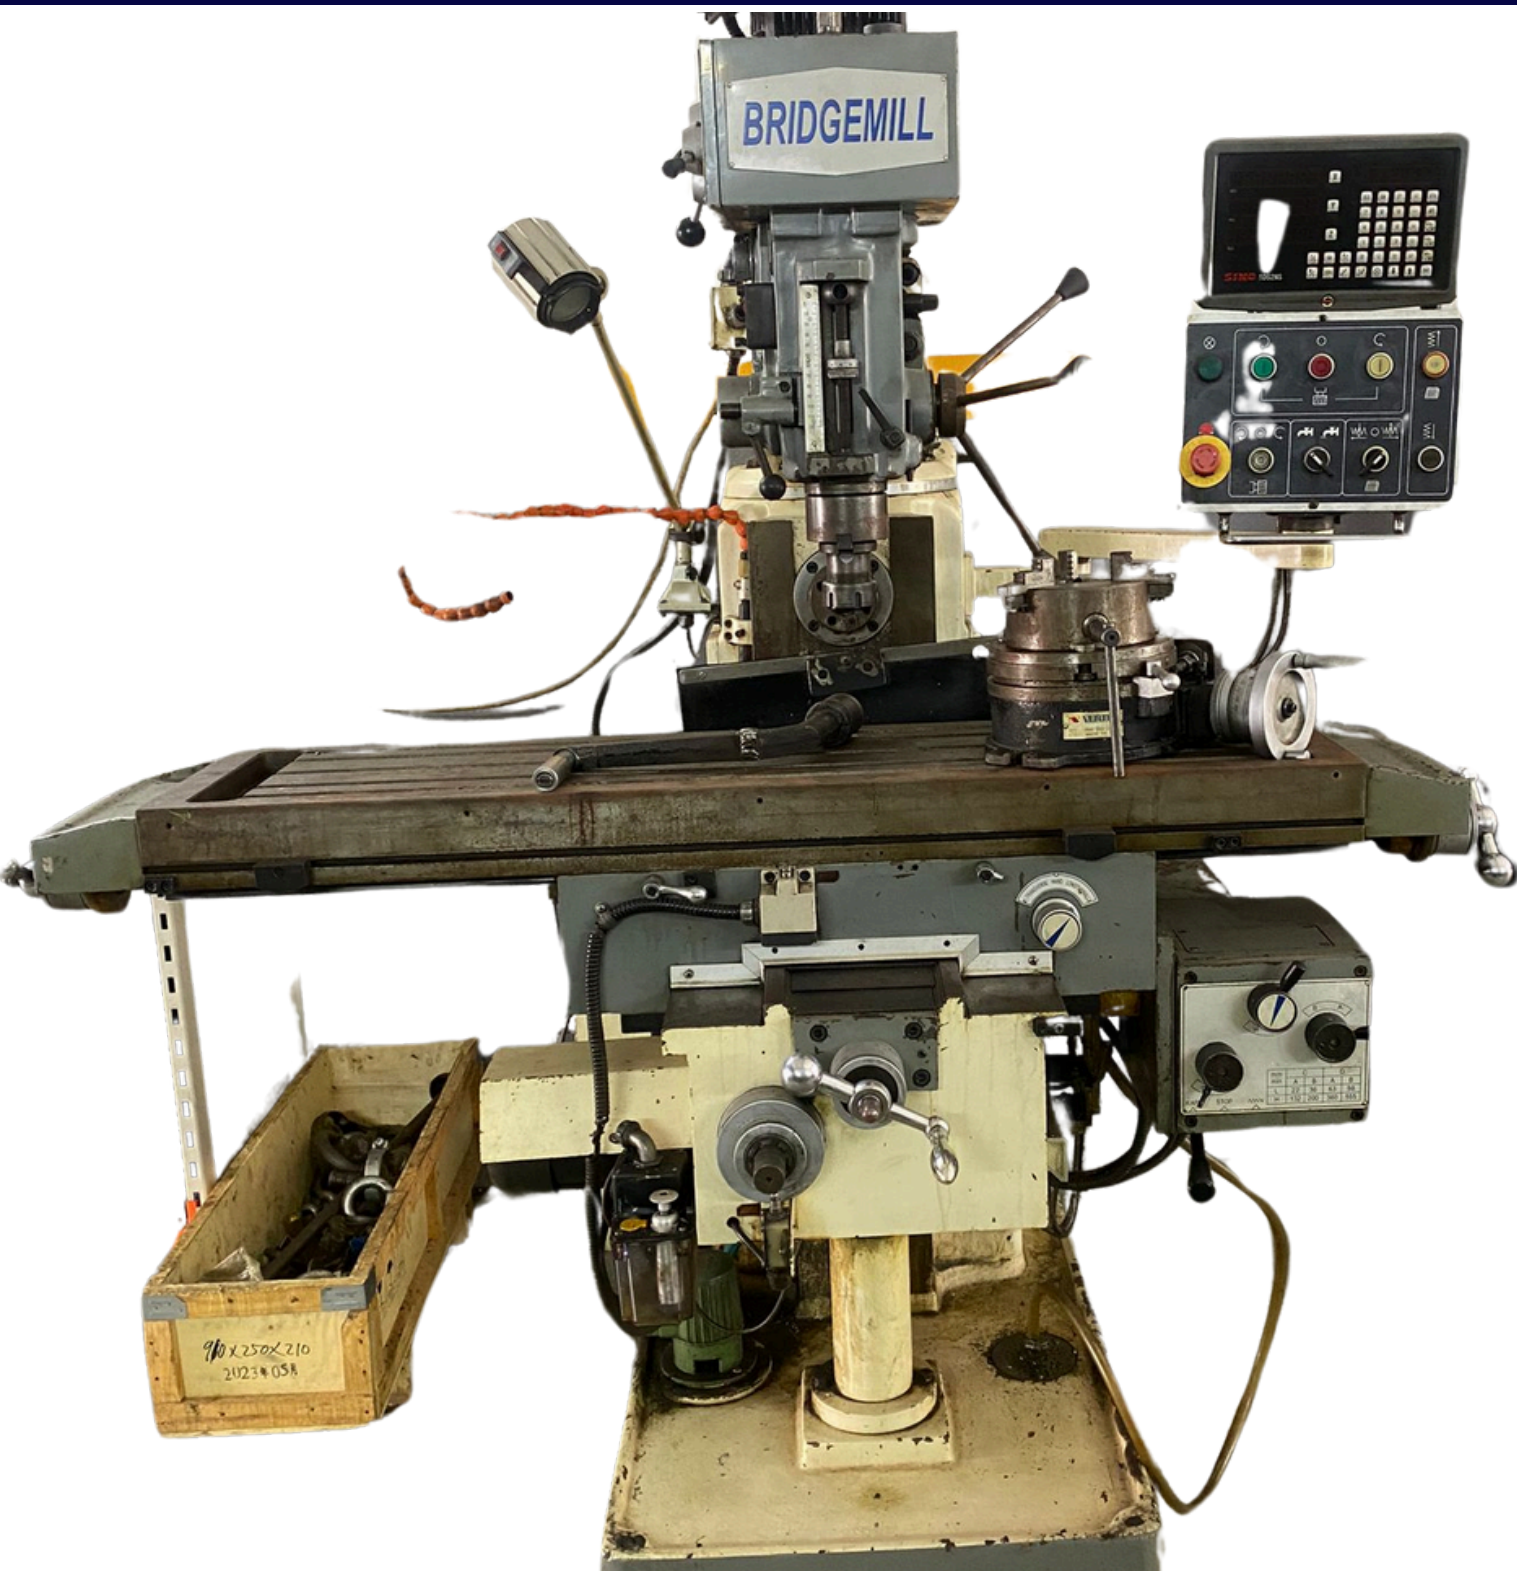

UNIVERSAL MILLING MACHINE

Table Size(mm): 1000 x 250

Axis Movements(x-y-z) : 600x500x400

Load Capacity : 400 kg

Information

Contact Us

As Easymar Workshop, we are ready to be your solution partner with our high capacity machine park, expert operators and strong engineering staff!

Contact us for all machining, special design and consultancy services.
